

### Academics

1 <sup>st</sup> Sept. 2009-25 <sup>th</sup> Jul. 2013	<b>PhD. In Geoinformatics for Natural Resources Management</b> (grade: very good, "magna cum laude") Eberharls-Karls-University Tübingen-Germany
1 <sup>st</sup> Oct. 2005-10 <sup>th</sup> Dec. 2007	<b>Master of Engineering in Forestry</b> (grade: good) Warsaw University of Life Sciences-Poland
1 <sup>st</sup> Oct. 2005-25 <sup>th</sup> Oct. 2007	<b>Master of Science Environmental Information Technology</b> (grade: good) University for Sustainable Development Eberswalde-Germany
1 <sup>st</sup> Oct. 1996-24 <sup>th</sup> Sept. 2001	<b>Engineering in Agriculture Economics and Rural development</b> Federal University of Technology Minna-Nigeria

### Work History

Fev. 2020 to Present	<b>GIS and Remote sensing Expert</b> AGRHYMET Regional Centre Niamey-Niger
September 2020 to Jan 2025	<b>Data and Science Co-Lead at Servir WA</b> AGRHYMET Regional Centre Niamey-Niger
March 2018 to August 2020	<b>Senior Researcher and lecturer</b> at University of Diffa -Niger
Oct. 2017 to March 2018	<b>Lecturer</b> at "Université Canadian" (UNCAN) Niamey -Niger
Jul. 2014 to March 2017	<b>Research Associate</b> -Abrupt Change in Ecosystem Services and Wellbeing in Mozambique–University of Edinburg United Kingdom in Partnership with the University Eduardo Mondlane (Mozambique)
Jan. 2014- Jul. 2014	<b>Post Doc.</b> (HIWI) - ROCEEH project at the Heidelberger-Germany
Nov. 2008- Jul. 2013	<b>Doctorant and Research Assistant</b> at Eberharls-Karls-University Tübingen- Germany
Sept. 2007- Oct. 2008	<b>Research Assistant</b> -The Ziethen project at the University for Sustainable Development, Eberswalde-Germany
Sept. 2006- Jul. 2007	<b>Research Assistant</b> (Remote Sensing & Forestry)-University of Applied Sciences-Eberswalde-Germany
Jul. 2002- Jul. 2004	<b>Monitoring &amp; evaluation staff</b> at the National Directorate of Crop Protection (DPV), Niamey-Niger
Sept. 2000- Oct. 2003	<b>Head of department Agriculture &amp; environment</b> at the N.G.O Mica-Inc, Niamey-Niger
Jan. 2000- Jan. 2001	<b>Internship</b> -Institute for Agricultural Research, Zaria-Nigeria (7 months)-National Animal Production Research Institute, Zaria-Nigeria (3 months) and "Projet d'irrigation au Niger-ANPIP" Maradi, Niger (3 months).

**Training**

- **Training on Crop types mapping**, Dakar, Senegal organized by NASA Marshall Apace Flight Center and Maryland University, June 2024.
- **Training on Geospatial Information Tools for sustainable Ground Water Management**, Niamey Niger organized by Brigham Young University, Feb. 2023
- **Training on accuracy assessment of map products derived from EO data**, Accra, Ghan, organised by SERVIR WA, May 2023
- **Monitoring and Early Warning for Floods Certificate**, RCMRD, the 6th AfriGEO Symposium, Nov. 2022
- **SERVIR Climate Forecasting trining Phase 1:** introduction to Early Warning explorer and Climate Hazards center InfraRed Precipitation with Station dataset, organized by Climate-Hazards-Center, UCSB in collaboraration with SERVIR West Africa, Feb. 2021.
- **Satellite Remote Sensing for Land- Use Planning online Workshop**, Nov. 2021
- **Digital Earth Africa Training Facilitator certificate recognises**, July 2021
- **Online training on DEEP Learning** organized by SERVIR West Africa, Aug. 2021
- **Online Training on Machine Learning and Artificial Intelligence**, organized by SERVIR WA, Nov. 2020
- **Sampling-based estimation of area and map accuracy trainng** organized by Boston University in collaboration with NASA SERVIR, Dec. 2020
- **International Spring University on Ecosystem Services, Modeling Third Edition Certificate**, Bilbao, Apr. 2015
- **Ecosystem Services Modeling, Scenarios, environmental Informatics, Earth observation and Ecosystem assessment Using QUISKscan tool**, Wageningen, Netherlands, Nov. 2015:
- **Proposal development and scientific wrting**, founding by Volkswagen foundation, Hannover, Germany, June 2013
- **Visualisation and Presentation Certificate**, founding by Friedrich Ebert foundation, Bad Münstereifel, Germany, Nov. 2012
- **Remote Sensing, Geographic System and Statistic Analysis for erosion hazard assessment** certificate founding by Friedrich Ebert foundation, Oberjoch, Germany, May 2011
- **Soil Erosion in the Mediterranean certificate**, founding by Goethe-institut, Madonie, Italy, July 2010
- **"Rhetorik II"** certificate, founding by Friedrich Ebert foundation, Berlin, Germany, Dec. 2009
- **Advanced GIS training certificate**, Eberswalde, Germany, Sept. 2008:

**Computer Skills:**

- **Geospatial Analysis:** ArcGIS, NEST, SAGA, FRAGSTATS, QGIS, ENVI, ERDAS Imagine, Google Earth Engine
- **Remote sensing:** Arc View, Arc/info, ENVI, ERDAS Imagine, IDRISI, Sentinel toolbox, Map Ready, eCognition and Land Cover Classification System standard.

- **Programming:** Python, R, C++, Visual Basic.net, MATLAB, TensorFlow
- **Statistical & Geostatistic Analysis:** SPSS, GRASS, R-Gstat, gvSIG, ILWIS, ImageMagick, LASTools, Matlab Hyperspectral Toolbox, NEST, SNAP, SEPAL, FWtools, GDL and Geo Tools
- **Modeling:** Bayesian Networks, Expert system, BWIN Pro, TANAGRA, QUISKscan, SALFORD, Sentinel tool,
- **Microsoft Office:** MS Office Tools
- **Internet programming:** HTML, CSS, PHP,
- **Other:** Corel Draw, Photoshop, Adobe Creative Suite 3,

**Teaching and trainer:**

- **Trainer:** Training countries (Mali, Niger, Burkina Faso and Senegal) capacities on GIS and Remote Sensing tools, 2024.
- **Trainer:** Training of CILSS countries stakeholders on soil carbon and plant carbon assessments, 2024.
- **Trainer:** Development of national expertise in strategic planning, land degradation assessment, monitoring progress towards achieving LDN targets, data analysis and management, soil characterization and analysis for sustainable land management (CILSS countries) 2024.
- **Trainer:** Support countries in the use of tools/methods to assess land degradation (CILSS countries) 2024
- **Trainer:** Support countries for the harmonization of land use nomenclature (CILSS countries) 2025.
- **Trainer:** Strengthening and harmonization of existing Land and Soil Degradation monitoring and evaluation platforms in the 4 countries (Niger, Burkina Faso, Senegal and Mali). 2025.
- **University of Canada -Niamey Niger,** Oct. 2017 to March 2018. Cours: Programming, Statistics, management and informatics
- **University Eduardo Mondlane, Mozambique, University of Diffa, Niger and University Abdou-Moumouni, Niamey, Niger, March 2018 to Present:** Cours Remote Sensing, geo-statistics, Geometrics, GIS Earth Observation, Monitoring, Land use land cover, Natural habitats, Ecosystem services modeling, Digital elevation modeling, Landslide and erosion modelling and Environmental Impact Assessment
- **AGRHYMET Regional Center** (September 2020 to Present): Remote Sensing, geo-statistics, Geometrics, GIS Earth Observation, Monitoring and Participatory approach.

**Language Skills:** English (Fluent); French (Native); German (Moderate); Haussa (Fluent); Djama (Fluent) and Portuguese (Basic).

**Grants and Funds:** July 2013: Travel grants for conferences and international training course funded by the Volkswagen Foundation and July 2009: Grant for PhD research funded by Friedrich-Ebert-Foundation.

**Membership of professional bodies:** "Geo communauté ESRI members", African Scientists Directory (ASD), EOTEC Africa Region Flood working Group, Land cover Land Use working group for West Africa, SERVIR West Africa Consortium members, TensorFlow Working Group, SERVIR Thematic working group, "Afrikagruppe deutscher Geowissenschaftler (ADG)"; "Arbeitskreis Fernerkundung" and Miombo network.

**Journal Reviews**

British Journal of Applied Science and Technology; African Journal of Ecology; Asian Journal of Environment and Ecology; Journal of Global Ecology and Environment; International Journal of Biodiversity and Conservation; Journal of Geography; Environment and Earth Science International etc.

**Peer reviewed Publications**

### International Conference

**COP 28 in Dubai: At the Burkina Faso Pavilion event** "Agricultural production and food security in West Africa "presented the crop types mapping approaches developed. **At the Mozambique Pavilion event** "Land degradation and climate change in Africa "underlined the role played by SERVIR WA in the development of a tool for land monitoring in Ghana looking at charcoal production and illegal mining. **At the CILSS Pavilion CILSS:** Joint Ministerial Meeting on Land Restoration and Drought Resilience event presented the use case of the land degradation monitoring service in Ghana. 29 Nov.to5 Dec.2023

**Regional Consultation on West African Land Cover Reference System**, presented the West African Land Cover Reference System organized by Land cover Land Use working group for West Africa, online, July 2023

**"Événements climatiques extrêmes et Risques de Catastrophes**, la troisième Conférence Scientifique Internationale sur le Climat, sous l'égide du Centre Climatique Régional pour l'Afrique de l'Ouest et le Sahel", Niamey, Niger, 28 to 31 May 2023

**West Africa Land Use / Land Cover Harmonisation Task Force for ECOWAS** were presented International Winter School: Assessment of Landscape Process organized by University of Isfahan from 23 to 30 Jan. 2022.

Data availability -SERVIR West Africa were presented Geo Week 2022, Accra, Ghana, 31 Oct. to 4 Nov. 2022.

**COP 28 in Egypt:** Representing DEAfrica in the session organized by CILSS and west African institution and **presentation on the session organized by Parties and international organization:** 12 to 18 Nov. 2022

**"Evaluation du risqué de la dégradation et d'érosion du sol au Sahel :** Cas du paysage de Tillabéry communication – Colloque international sur le Sonjey (Songhai): état des connaissances et devenir – l'environnement", 13 to 15 Dec. 2019".

**"Impact de l'installation de sites d'occupations des réfugiés, retournés et déplacés sur l'exploitation des ressources forestières dans la région de Diffa"**, Forum sur la Gestion des Ressources Naturelles dans la Région de Diffa 30 Sept. to 2 Oct. 2019, Diffa".

**"Risque de la dégradation et d'érosion du sol au Sahel : Cas du paysage de Tillabéry, Colloque International sur la "Gestion durable des Sols en milieux aride et semi-aride"** 6 to 8 Nov. 2018, Niamey"

**"Désertification, changements climatiques et gradients écologique, quels impacts sur la dynamique des socio-écosystèmes dans la Région de Diffa et Tillabéry"**, Colloque international sur la désertification et l'économie verte, 25 to 27 July 2018".

**QUISKscan approach to understanding land use and land cover change and ecosystem services, example: Mabalane**, oral presentation at 2016 African ESP Conference, 21 to 25 Nov. 2016, Nairobi

**Integration Bayesian Networks and Geographic Information Systems as a tool in understanding land use and Land cover change-Ecosystem services links: a case study for Mabalane, Mozambique.** oral presentation at Ecosystem services for poverty alleviation (ESPA) 2016 Annual Science Conference, 17 to 18 Nov. 2016, Nairobi.

**To understand how changes in Land use and Land cover affect woodland-based ecosystem services in Mozambique (Case study Mabalane district).** Oral at "IX Conferência Científica 2016", 27 to 28 Sept. 2016, Maputo.

**Ecosystem services Assessment- Case study; Mabalane District- Mozambique.** Oral presentation at "International sprig University on Ecosystem Services Modeling" Third Edition, 7 to 17 April 2015 Bilbao.

**Application of Change detection Methods and Landscape Metrics for Monitoring Desertification in the Tillabéry Landscape (Sahel Region).** Oral presentation at "Arbeitskreis Fernerkundung", 26 to 27 August 2013 Tübingen.

**Spatial distribution of desertified land area during the interval of 1973 to 2007 in Sahel region.** Presented at the "Vertiefungsseminars" organised by the Friedrich-Ebert-Stiftung-, 1 April 2012, Bad Münstererif.

**The Use of thematic change detection and landscape metrics to describe structures and changes in Tillabéry land use/ land cover.** Presented at the 4th European Association of Remote Sensing Laboratories (EARSel), 1 to 3 June 2011, Prague.

**Remote Sensing and Geographic Information System techniques for desertification and land degradation monitoring and analysis in the Tillabéry landscape (Sahel region)** Oral presentation at "Jahrestagung Afrikagruppe deutscher Geowissenschaftler (ADG)", 24 to 25 June 2011, Würzburg.

**Fragmentation rate and landscape structure for desertification in the Tillabéry landscape (Niger)"** Poster presented at the GI\_Forum -Salzburg, 5 to 8 July 2011, Salzburg.
